

SHM

Self-Contained, Specialty Horizontal
Medium Temperature Merchandiser

FOR GENERAL REFERENCE ONLY
Models shown may not match the
model features or manuf year of the
item offered by AERE.

Advanced Design

- Soft, round design featuring as standard a white base with black bumper
- All SHM merchandisers have the same contour and line up together to create extended product displays

Merchandising with Style

- Large volume three-step display insert brings the product to the customer and stimulates impulse sales throughout your store

Smart Construction

- Compact size offering maximum display area in minimum floor space
- Large front window and sides for increased product visibility
- CFC-free insulation
- Factory-installed power cord and on/off power switch
- Easy to clean interior

Innovative Refrigeration

- Air curtain design with efficient honeycomb air discharge
- Automatic defrost
- Electronic controls with digital display
- Electric condensate pan; no drain required
- Slide-out condensing unit for easy serviceability
- Adjustable temperature control
- Type II (80°F and 55% R.H.) certified

Model shown with optional
3-sided bumper kit.
