

# HOLMAN™ 1/4 SIZE COUNTERTOP CONVECTION OVEN

## Model CCOQ-3

### Features/Benefits:

- ★ Holman Countertop Convection Oven provides maximum baking capabilities in a minimum footprint. The CCOQ-3 requires only 19" of counter space and can bake approximately 72 cookies every hour.
- ★ Features three removable wire racks and can accommodate three 1/4 size baking pans (not included). Wire racks can be removed and the rack slides will hold standard 1/4 size pans.
- ★ High performance rear fan and heating element distribute convected heat evenly throughout the bake chamber.
- ★ Baking temperature range is 175° F to 500° F accommodating a variety of menu items.
- ★ Heavy-duty oven door hinge mechanism provides reliable operation and is removable without tools for easy cleaning.
- ★ Oven timer range is 0 to 120 minutes. Heat turns off automatically at the end of the timer cycle. The convection oven can also be used in "hand" mode providing continuous heat.
- ★ A door interlock switch turns off the blower fan when the door is open minimizing heat loss in the oven and preventing heat from expelling into the kitchen.
- ★ Oven door is constructed of double pane tempered glass providing an insulation barrier keeping the glass cool while providing easy viewing of product.

FOR GENERAL REFERENCE ONLY
